## YOUR EVENT JOURNEY

When planning a conference, meeting, or event, we know how important it is to feel you're in experienced hands. We're here to make your event stress-free, so we've put together a handy little step-by-step of how we'll help along the way.

1

### MAKING AN ENQUIRY

Get in touch with one of our event co-ordinators to discuss your requirements and budget and we'll get started with putting a tailor-made quote together for you.

We'll then invite you to come up for a personal tour of the hotel and talk through your event in more detail.

2

### YOUR BOOKING

When you confirm your booking, we'll need your attendee numbers, menu selections, seating plans, and any accommodation bookings.

We'll then send you a pro-forma invoice and Booking Agreement for you to sign and get back to us. You'll also receive a detailed outline of your event.

3

### PRE-EVENT SUPPORT

In the lead-up to your event, we're only ever a phone call away. If you need any advice, we're here to help. We've even got a few checklists to aid your planning.

If you'd like to visit the hotel again, you can always arrange another appointment with us.

---

4

#### THE DAY BEFORE

Everything's arranged and your event is in expert hands.

If you need to have anything delivered the day before your event, our events team can advise you on our delivery and collection times.

All you need to do is get a good night's sleep!

5

#### ON THE DAY

It's the big day!

Your event co-ordinator will be there to greet you when you arrive and be there to support you throughout the day.

If you have any guests staying overnight, our guest relations team will look after your group and get everybody checked in.

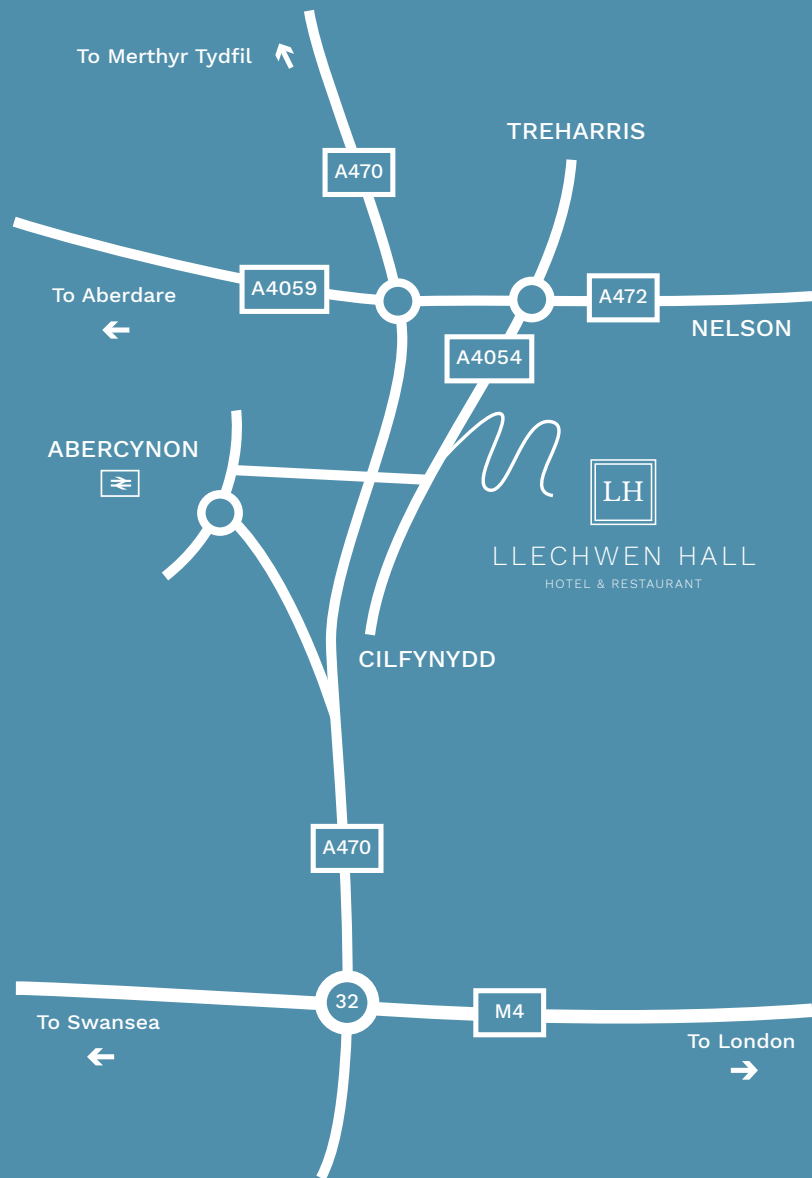

6

#### AFTER THE EVENT

We hope you had a successful event with us.

Soon after your event, we'll be in touch to get your all-important feedback. And, of course we'd be delighted to host you again and help plan your next event!
